

MIAMI SHS Sport Report

2017 Sport at Miami SHS has started with a bang with the annual Miami Swimming Carnival! The day was a great success with a high number of students attending and participating in each event. The age champions and winning house will be announced on assembly Thursday 23 February. Swimmers who came first or second in their event also qualified to represent Miami SHS at the Oceanic Swim Meet Thursday 16 February at Pizze Park. Good luck to these swimmers! Their results will be in the next newsletter. A massive thankyou must go to both the staff who arrived early to help set up and stayed behind at the end of the day to pack up. The House Captains also went above and beyond on the day helping to set up the carnival and coordinate their House relay, fashions on the pool and belly flop teams. The House Captains have a busy year ahead with not only school carnivals but also organising lunch time activities and speaking on weekly assemblies.

The 2017 House captains are:

MIAMI SHS Sport Report

Term 1 is extremely busy with trials for both Oceanic and South Coast school sport. Below are trial dates for a wide range of ages and sports. If your student is a representative player at a club level they should be attending these trials as a stepping stone for selection in the South Coast School's team. If interested please contact me immediately or have your student see me in the D Block staffroom for trial information and South Coast booklet. Booklet's need to be signed prior to attending each trial.
