

# MIAMI SHS Sport Report

The 2017 Oceanic Track & Field Carnival was held on Thursday 10 and Friday 11 August. The day was a great success with a high number of students from Miami SHS attending and participating in each age group over a wide range of events. Miami SHS won the 'Percentage Champion School' trophy and placed 2nd overall. As a result, 38 students have now qualified for the South Coast Track and Field carnival on September 5 and 6. Good luck to these competitors! Their results will be in the next newsletter.
