MIAMI SHS Sport Report

On Thursday 16 February we took a small but strong swim team to the Oceanic Swimming Championships at Pizzey Park. These students represented the school with pride with most swimmers completing 4 or 5 events on the one day! Miami SHS finished 2nd overall, a fantastic achievement with a team of only 20 students. Along with the 2nd place finish, 3 Miami SHS swimmers were awarded age champions for the oceanic district. Congratulations to Kaiden Hubbard (14 Yr Boys), Briley Bradfield (Open Girls) and Ben

Hance (Open Boys).

Less than 2 weeks later Miami SHS swimmers were back in the pool again for the South Coast Swimming Championships on Monday 27 February and Wednesday 1 March at Gold Coast Aquatic Centre. 17 students qualified for this meet from our school and swam not only representing Miami SHS, but also the Oceanic District.
