

What is the NDIS?

How to prepare for the NDIS?

The National Disability Insurance Scheme (NDIS) is the new way of providing support for people with disability, their families and carers in Australia. The NDIS is rolling out Gold Coast, Logan, Beenleigh and Redlands in July 2018. Access Request Forms can be completed from 1 January 2018.

The NDIA will conduct local NDIS information sessions for people with disability, their families, carers and informal supports. This is a great opportunity to understand how to get ready for the NDIS and get answers to your questions.

- Learn about the design and key principles of the NDIS;
- Access and eligibility process;
- What is the paperwork I need?
- When can I apply?
- Ongoing support for you, your family carers and informal supports across the region via Local Area Coordination.

Interested in attending an NDIS information session? Register by clicking on the link of the session you would like to attend below. Please note all sessions are the same.

Sessions to be held across these regions:
