

A Special Information Event for Parents of Teens

Special guest speakers;

Brad Huddleston

"Dangers of Social Media"

Nurse Wendy and Chappy

"Role of the support staff at school"

Author of 'Dark Side of Technology'. Brad discusses the neuroscience behind technology and its misuse. He highlights the ways to combat the problems associated with digital overload and how to keep our kids safe. All the way from USA, Brad has been a key speaker at many conferences world wide. Don't miss this important opportunity.
